

DIPL. DES. CHRISTIAN BAHR

3D Freelance Artist

PROFIL

3D Senior Artist with over two decades of professional experience. Has a keen eye for lighting, image composition, and FX animation.

Works very independently in solving a wide range of tasks and is adaptable to various tools and teams.

Work Experience

- Since 2005 I work as a 3D Freelance Artist. Over these two decades, I have gained experience in almost all areas of 3D production, with most of my expertise in shading and lighting.
- On more than 30 Movies and TV Shows for Companies like Automatix VFX, Pixomondo, D-Facto VFX, Rise FX, Scanline, Cartoon Film, RTT, Mackevision I gained experience.
- For advertising projects, my clients included Mackevision, Lug und Trug, Stortz&Escherich
- As a Contract Teacher I have taught various 3D topics at 3 different universities. I designed the course content myself.
- In addition to on-site work, I also create animations and renderings directly for clients.
- For my Showreel and more information please visit my homepage: christianbahr.com
